Josh:

Agenda looks good. I'm very interested in the "living walls" idea so if we have time for a video let's show it

Thanks

Bob

Subject: IP Committee Meeting Agenda Draft

Hi Ellen and Bob,

Attached is the draft agenda for next week's IP committee meeting. The living walls discussion is because I have booked Reuben Freed (the living walls expert you suggested

Ellen) to present at the August meeting and I thought it would be helpful to find out from the group beforehand what their experiences have been with incorporating living walls into projects and what issues they have faced. That way we can have Reuben address those issues more specifically when he presents at the next meeting. I would like to show either the short "sponge city" video we watched at staff meeting or a similar short video (2-5 min.) to set the stage for why living walls may be beneficial for the neighborhood. Does that sound ok?
